SINGLE MALT SCOTCH

The original whisky of Scotland is "malt whisky" made only from malted barley in two, occasionally three, copper pot stills. "Single Malt Whisky" is the product of an individual distillery. Our range showcases the wide and varied styles of single malt scotch with smoke driven peated whiskies such as Laphroaig and Bowmore to lighter more fruit driven styles from the Highland and Speyside distilleries including Highland Park and Glenfiddich.

BOURBON & AMERICAN WHISKEY

Our selection from America includes labels such as Maker's Mark & Jim Beam Bourbon whiskies made from at least 51% corn grain. This imparts sweetness to the whiskey which is aged in charred American oak barrels for colour and extra flavours of caramel and vanilla. Rye whiskies such as Lot 40 use a minimum of 51% rye grain which imparts a much spicier and peppery flavour profile.
